

ABSTRACT: TRAINING MATERIALS DIRECTORY

12/12/96

This directory contains a collection training seminar materials produced and presented by Sony Computer Entertainment Japan and Sony Computer Entertainment America. The training materials have been divided into the time period in which they were released, Winter95 and Fall96. Within the winter95 material we have two areas, the beginners and advanced. The beginners materials is developed for new PlayStation developers and the advanced materials is for the seasoned PlayStation developers.

NOTE: The contents of this directory has just been translated and has not been through our technical review process.
